ANNUAL REPORT OF THE AUDIT COMMITTEE TO THE BOARD OF THE NEW YORK STATE BRIDGE AUTHORITY

Overview

Below is an outline of the Audit Committee charter requirements and the activities performed to meet those requirements. This summary will serve as the Audit Committees' review of its own activity for the year 2013.

Meetings

The Audit Committee conducted meetings on March 21, 2013, April 18, 2013, September 19, 2013, and December 19, 2013. This meets the requirement under the charter to have at least one meeting each quarter or four during 2013.

Responsibilities

1. Review and evaluate the independence, qualifications, and performance of the outside auditors and accountants, including (a) discussing with the outside auditors and accountants any disclosed relationships or services that may impact their objectivity and independence, (b) reviewing, at least annually, the outside audit and accounting quality control procedures; and (c) recommending retention of accountants and outside auditors.

During the March 21, 2013 meeting, the committee satisfied the annual requirements of reviewing the outside Auditor's report on the 2012 financial

statements with John Rizzo of Toski & Co., P.C. In addition the committee reviewed the findings from the report of the contract Internal Auditor, Tronconi, Segarra, and Associates.

2. Review and recommend to the Board the results of such evaluation of accountants and outside auditors and take any action the Committee deems appropriate based on the evaluation.

Audit findings were reviewed during the March 21, 2013 meeting with actions taken for each audit recommendation fully implemented. All actions were confirmed implemented at the April 18, 2013 meeting.

3. Review and act upon the scope of accountants' and outside auditors' reports.

The full Board reviewed the audit which produced no audit findings/management letter to be acted upon. The committee would normally have reviewed the quality control system peer review report for Toski, Schaeffer & Co., P.C. once every three years. The last review was in 2010, however since Toski, Schaeffer & Co., merged with another firm and became Toski & Co. the three year peer review schedule is applied to the merged entity. The peer review report should be expected by the Audit Committee in 2014.

Oversight of the Authority's Internal Audit Function:

4. Oversee the Authority's internal controls and compliance systems.

During the March 21, 2013 meeting the committee satisfied the annual requirements by approving the Agreed-Upon-Procedures report from our contract internal auditor, Tronconi, Segarra, & Associates.

5. Review the adequacy and direction of the Authority's internal audit function, including whether there are the necessary segregation of duties and clear chain of command procedures in place to maintain proper checks and balances.

The committee contracted with Tronconi, Segarra & Associates to be the Internal Auditor during 2011 and finding 2012 performance acceptable awarded the third year of the three year contract at the September 19, 2013 meeting. The internal auditor is the mechanism by which the committee evaluates internal controls within the authority and acts upon the internal auditors findings. Segregation of duties requirements are satisfied through contracting the internal audit function as opposed to utilizing a staff position that contained additional operational job responsibilities.

6. Approve the Authority's annual internal audit work plan and direct the activities of the internal control officer and internal auditor.

The committee approved the three year Internal Audit Plan during the November 17, 2011 meeting. The audit plan was developed based upon a risk assessment prepared by the internal auditor in conjunction with the internal control officer.

The committee will review the final audit report for 2013 from the contracted internal auditor (Troconi, Segarra & Associates) after the 2013 Audit Plan test work is performed. The committee reviewed the 2012 report during the March 21, 2013 meeting.
