**2016 Annual Report of the Governance Committee
to the Board of the New York State Bridge Authority**

Overview

The following report details the Governance Committee responsibilities and the activities performed to meet those responsibilities. This summary will serve as the

Governance Committee self-evaluation of its own activities for 2016 as well as a report to the full Board of Commissioners. Where cited, the NYSBA web site is at www.nysba.net. Specific Charter requirements are listed below with the Committee's response in *italics*.

General Responsibilities

The Governance Committee Charter was adopted by the Board of the New York State Bridge Authority on 6/21/09 and last revised in accordance with amendments made to the Public Authorities Law by Chapter 506 of the Laws of 2009 on June 17, 2010.

In addition to discretionary actions, the Governance Committee is required to:

- Keep the Board informed of current best practices in corporate governance and review corporate governance trends for their applicability to the Authority;
- Recommend updates to the Authority's corporate governance principles and governance practices;
- Advise those responsible for appointing members of the Board on the skills, qualities and professional or educational experiences necessary to be effective Board members;
- Examine ethical and conflict of interest issues;
- Perform board self-evaluations; and
- Recommend by-laws which include rules and procedures for conduct of Board business.

The governance committee shall make the following reports:

- Report to the Authority Board, at least annually, regarding any proposed changes to the governance charter, the governance guidelines, or the Authority Board By-Laws.
- Provide a self-evaluation of the governance committee's functions on an annual basis.
- Provide an examination of ethical and conflict of interest issues.

The responsibilities of the Governance committee continue under the Public Authorities Law and directives from the Authority Budget Office (ABO). The Committee monitors those responsibilities and keeps the Board informed of applicable laws, regulations and practices regarding corporate governance.

The Governance Committee Charter has been reviewed and no changes have been recommended.

The Governance Committee reviewed the Authority's By-Laws, last amended in 2015 and no changes have been recommended for 2016.

After extensive review and revision in 2015, in 2016 the Committee made no recommendations to revise existing Authority policies and management tools.

There were no ethical or conflict of interest issues brought to the committee.

Four members of the Board of Commissioners were reappointed to new terms in 2016 and two members of the Board were appointed to new terms. All Board members fulfilled the statutory and regulatory requirements for appointment. The two new members were presented with detailed orientation books covering a wide range of responsibilities as well as an overview of the current functions of both the Authority as a whole and the Board of Commissioners specifically.

The Governance Committee notes that the Board functions in a responsible and transparent manner. As a small Authority, all Board members are apprised of and may participate in all Board activities. The Authority made updates to its web site to enhance transparency in the Board's operations (noted below).

The role of the Governance Committee continues to insure that the Board meets the highest standards of transparency and accountability for its procedures and practices.

The Committee generally deals with matters not in the purview of the Audit or Finance Committees and insures that the multiple requirements placed upon the Board by the Authority Budget Office and other regulatory authorities are met to the best of the Board's abilities.

Committee Meetings

The governance committee will meet a minimum of twice a year, with the expectations that additional meetings may be required to adequately fulfill all the obligations and duties outlined in the charter.

In 2016, the Governance Committee met on January 19 and December 15.

Relationship to the Authority's Board

Such codes of ethics and policies shall be at least as stringent as the laws, rules, regulations and policies applicable to state officers and employees.

The Authority Code of Ethics applies to all employees of the Authority, is posted on its website and is part of the policies and procedures of the Authority and the NYSBA Code of Conduct. Board Members are apprised of the NYS Ethics Commission "Ethics Guide for Unpaid State Officers" and file appropriate financial disclosures.

The Authority's policy is posted on its web site. No changes were recommended.

Develop and recommend to the Authority Board any other policies or documents relating to the governance of the Authority, including rules and procedures for conducting business of the Board, such as the Authority's By-Laws. The governance

committee will oversee the implementation and effectiveness of the by-laws and other governance documents and recommend modifications as needed.

The Committee recommended no changes to the By-Laws in 2016.
