

Category: Construction Services

Contract Number: BA-2013-RE-111-DB

Contract Title: System-Wide Fuel Management System Purchase

Description:

The New York State Bridge Authority (NYSBA) invites your design-build cost proposal to provide and install a new fuel management system with passive GPS on ninety (90) vehicles and install new fuel pumps at its five (5) bridge locations: the Rip Van Winkle Bridge, Kingston-Rhinecliff Bridge, Mid-Hudson Bridge, Newburgh-Beacon Bridge and the Bear Mountain Bridge.

The successful proposer shall include all costs in his bid for Design, Equipment, Labor and all materials necessary for a completely installed turn-key operating system at each of NYSBA's facilities listed above.

To further information and to receive the complete proposal package, please email your request to Teresa Ceragioli at tceragioli@nysba.ny.gov.

A pre-bid meeting/walk through has been scheduled for Friday, August 9th, 2013; interested parties shall meet at the Rip Van Winkle Bridge office in Catskill, NY at 8 AM; a site visit to each bridge facility will follow.

To participate in the walk through, please confirm your attendance with Teresa Ceragioli after receipt/review of the proposal package. Questions concerning the bid will be addressed at this meeting and answers will be provided in writing to all parties.

The apparent low bidder shall present evidence of experience and financial stability. Bidders must comply with the terms in the Notice to Bidders, including Equal

Employment Opportunity program, M/WBE goals.

Minority Sub-Contracting Goal: 5%

Women Owned Sub-Contracting Goal: 5%

Due Date: 8/22/2013 2:00 PM
