

Submission Id: 1620414

Category: Construction Services

Contract Number: BA-2012-RE-103-CM

Contract Title: Newburgh-Beacon Bridge Superstructure Painting & Lead Abatement Phase II - W. Abutments to Pier 7

Description:

This project consists of the lead paint removal and painting of the Newburgh-Beacon Bridge (North Span) truss and floor system below the roadway deck. The Newburgh-Beacon Bridge is 7855 ft. in length. The limit of superstructure cleaning and painting shall be the west approach beam spans, girder spans, deck trusses and thru truss between the west abutment and Pier 7, 4036 ft. in length. This work shall consist of removing all existing paint by near-white blast cleaning within a Class 1A containment system and then applying the specified waterborne acrylic paint system over all interior and exterior surfaces of structural steel including the floor system.

The apparent low bidder is required to present evidence of experience with hazardous coating abatement. Proposer's SSPC-QP1 and SSPC-QP2 certification shall be current at the time of bid.

Plans & Specifications: \$100.00 Non-Refundable Company Check and available for pickup at Headquarters Building, Mid-Hudson Bridge Plaza, Highland, New York, between 8:00 AM and 4:00 PM, Monday-Friday.

All inquiries for the purchase of plans shall be made by **FAXING the request** to Teresa Ceragioli at 845-691-7914 **along with a copy of your check** made payable to the New York State Bridge Authority. If you desire overnight delivery, be certain to include your **overnight carrier's account number**. All others will be sent USPS.

Bid Deposit: \$500,000.00 Cashier/Certified Check required to validate bid.

The apparent low bidder shall present evidence of experience and (SSPC-QP1 and SSPC-QP2 certified) financial stability. Bidders must comply with the terms of the Notice to Bidders, including Equal Employment Opportunity, MBE/WBE goals.
