

Category: Engineering Services

Contract Number: BA-2012-RE-101-DE

Contract Title: Newburgh-Beacon Bridge South Span Deck Replacement Design

Description:

The New York State Bridge Authority (NYSBA) is seeking proposals from firms of licensed professional engineers to design the deck replacement for the Newburgh-Beacon Bridge South Span. All SEQRA tasks and necessary permit pre-applications are a part of this assignment. The successful consultant shall evaluate various panelized or modular deck replacement systems for use on this project. It is anticipated that the majority of construction work will be performed at night, with full three (3) lane service available each and every weekday rush hour(s), (6 AM - 9:30 AM and 3 PM - 6:30 PM).

To request the full proposal package, please FAX or EMAIL Teresa Ceragioli at 845-691-7914 or at tceragioli@nysba.net.

Bidders must comply with NYSBA's Affirmative Action Policy including all MBE/WBE goals.

Proposals must be received by NYSBA no later than close of business, 4 PM, Wednesday, February 1, 2012 at its Headquarters Office and addressed to William J. Moreau, Chief Engineer.

Minority Sub-Contracting Goal: 10%

Women Owned Sub-Contracting Goal: 10%
