**Classification:** Telecommunications - *Consulting & Other Services*  
**Opportunity Type:** General  
**Entered By:** Teresa Ceragioli  
**Description:** The New York State Bridge Authority (NYSBA) is soliciting proposals from experienced and qualified telecommunications companies to provide a (managed) Premise/Hosted/Hybrid-based VoIP telephone system service for all of NYSBA's facilities, including its Headquarters office in Highland, New York.

NYSBA already has in place all infrastructure, including managed POE Cisco switches and all cabling to all phone locations. The current existing system uses Polycom VVX series phones, which are leased from the current provider, and NYSBA would like to continue that, but would be open to a different hardware solution.

The new system shall have all of the hardware located at the successful proposer's hosting center. The new phones provided as part of the RFP shall connect to the internet via Ethernet connections supplied by NYSBA with no other wiring required.

For complete details and to request the Proposal package, please contact Ms. Sharon Romanik, IT Secretary, via email at [sromanik@nysba.ny.gov](mailto:sromanik@nysba.ny.gov) & [nsb](mailto:nsb):
