

# System Wide Fiber Maintenance Services

**Description:**

The New York State Bridge Authority is requesting bids for a Fiber Maintenance Contract. The successful bidder will be awarded a contract to provide emergency repair services for the Authority's fiber optic plant. It is expected that the contractor will be available 24/7, 365 days a year and be able to respond within 4 hours of notification of an issue with the Authority's fiber. Fiber is installed on all 5 of the Authority's bridges, Rip Van Winkle, Kingston-Rhinecliff, Mid-Hudson, Newburgh-Beacon and Bear Mountain Bridges. In addition the contractor may be called upon for advice and reconfiguring of the fiber optic systems. For additional information and to receive a copy of the RFP please contact: Lynn Whitehouse, [lwhitehouse@nysba.ny.gov](mailto:lwhitehouse@nysba.ny.gov) (845) 691-5953.
